

Terms and Conditions for Training Supplementary Sessions, Classes and 1-2-1

It is important that you read through this document and sign to say that you are happy to agree with the terms and conditions set out below and then we can get on with all the magic and fun things! **Please note that payment for services and engaging in the training classes both private and group also implies full agreement with these Terms and Conditions.**

Training and Handling Methods

The training techniques used by Believe In Magic Dog Training & Behaviour are based on the principles of positive reinforcement and, as such, are kind, fair and reward-based. Harsh handling of dogs, physical force and the use of punitive methods/ punishment/ corrections or equipment designed to be aversive (including choke chains, check chains, prong collars, slip leads, spray collars, e-collars or any other device deemed unacceptable by the trainer) are not permitted in classes or and should not be used in training.

Payment, Refunds and Cancellations

Payment by bank transfer is required within 48 hours of reserving a place within our group training classes, booking a 1-2-1 appointment or training Supplementary session, unless otherwise agreed. Once payment has been made, it is non-refundable. Occasionally, where a client is unable to take up their reserved place on a course, their credit may be transferred to another suitable class / service; this is at the sole discretion of Believe In Magic Dog Training & Behaviour and will be dependent on us having another client to fill your place. We are unable to offer any refunds on missed group sessions but you will receive our handbook with your step by step guides to how to teach behaviours inside. One to One sessions (including Supplementary training sessions) should be paid for a minimum of one week in advance of the booked time / date or at the time of making the booking. These can be re-arranged or refunded with at least 1 week's notice. With less than 1 week's notice, no refunds will be given (except for any travel charges paid but not incurred) and a new session will need to be booked. In exceptional circumstances, a partial refund or re-arrangement for a One to One session cancelled with notice of between 1 week and 48 hours may be made, at the sole discretion of Believe In Magic Dog Training & Behaviour. The Puppy / New Rescue / Behaviour Packages with 3 Supplementary Sessions must all take place within a 2 month period, packages with 6 Supplementary Sessions must all take place within a 3 month period or any un-used sessions will be forfeited, except in exceptional circumstances, in which case they may be refunded or re-arranged at the sole discretion of Believe In Magic Dog Training & Behaviour.

Suitability for Class Environment [Not applicable to Training Support Sessions or 'One to One' Training]

Some dogs are not suited to a class environment due to over-arousal, fear, anxiety etc (this is not the same as a young puppy who is new to socialisation and is just a little nervous!). Dogs which are known to bark, snap or lunge towards other dogs or people within a distance of less than 10meters will not be best placed in a class environment; it is simply not fair on your dog or the other attendees. If your dog is not suited to the class training environment now, we may be able to offer alternative solutions, such as one to one training sessions. If a dog is deemed by the trainer to be particularly stressed or reactive, despite the efforts of the owner and/ or trainer, the owner will be asked to remove the dog from the class (for that session or the rest of the course), in the best interests of both your dog and the others attending. Therefore, if you are unsure how your dog will respond to a class/ group environment, or have any concerns, you should discuss this with us before booking on to a course; refunds for course fees will not be given (see above).

Safety

Any instances of accident or injury must be reported to the trainer at the time they occurred. A first aid kit is available at training classes and carried by all staff during one-to-ones and training support sessions. All dogs must remain on lead and kept away from contact with other dogs unless specifically instructed by the trainer (eg. off-lead play). **Flexi leads (extending leads) are not permitted in class, to avoid injury.**

Children

Children are very welcome to attend classes / training sessions. We just ask that there are two adult's for children 6 and under, to ensure that your puppy/dog have one adults undivided attention and that children do not approach or touch any dogs without appropriate supervision and permission. We accept no responsibility for children at classes and it is the responsibility of the supervising adult to ensure the children's safety at all times. In addition, children must not be allowed to disrupt the learning and we reserve the right to ask for disruptive children not to be brought to classes in the future. Young people under 16 must be accompanied by an adult.

Health and Vaccination

All dogs and puppies attending classes should be suitably protected from the potential risk of disease as well as being appropriately treated for internal and external parasites. Believe In Magic Dog Training & Behaviour advises that owners should consult their veterinary professional with regard to such issues. Whilst the indoor venues used by Believe In Magic Dog Training & Behaviour are not routinely accessed by dogs (other than those attending classes), there can be no guarantee that there is absolutely no risk of disease at any venue or when in contact with any other dogs or materials, such as toys, which may have been in contact with other dogs. We use Anistel a veterinary grade disinfectant both on the floors and toys. It is the owner/ handler's responsibility to ensure that their dog is appropriately protected against the risk of disease: Believe In Magic Dog Training & Behaviour accepts no responsibility for the potential or actual exposure of dogs to disease. If an owner chooses not to routinely vaccinate their dog / puppy (for example because they are choosing titre testing or using homeopathic nosodes), this is entirely the choice of the owner and is a decision made at their own risk. We do ask to have a copy of any titre testing periodically in line with vaccination guidelines too. By booking a place at a class and agreeing to these terms and conditions, you are accepting full responsibility for the protection of your dog from the risk of disease. Please do not bring your dog to class if he or she has been in contact with another dog infected by a contagious disease or if they appear to be unwell (eg. vomiting, diarrhoea, coughing, runny nose etc). We accept bitches in season in class, we feel they exist in the real world and we want to help all our guardians understand how to help their dogs focus with seasons as distractions too, however if your bitch is ill, then we ask you to not bring her to class in line with the above health recommendations. If a dog is unable to attend classes, owners are encouraged and more than welcome to attend without their dog to keep up to date with the training course. If your dog has any known allergies or intolerances to certain foods or has any other special needs, it is your responsibility to bring this to the attention of the trainer prior to the start of the session.

Photographs may occasionally be taken during training sessions. Such photos may be used by Believe In Magic Dog Training & Behaviour for the purposes of marketing. For example, weekly photos and graduation photos are posted on our Facebook page. If you do not wish for photographs of you and / or your dog to be used or shared, please let us know. Any written feedback (eg. by email or on feedback forms) may be used for marketing purposes (for example, posted on the website). Only the first name of the person will be used as identification. If you are not happy for us to use your feedback in this way, please let us know.
